“The Wisconsin Taxpayer Protection Amendment will empower taxpayers of our state and give working families more control over their family budgets. Taxpayers in Wisconsin feel helpless because liberal spenders like Jim Doyle have had more control over their checkbooks than they do. Property taxpayers all across Wisconsin have paid the price for the governor’s broken promise not to raise taxes.

It is the people of Wisconsin that make our state so great, not the government. The Wisconsin Taxpayer Protection Amendment is about making people the number one priority in our state.”
