WISCONSIN TROOPERS' ASSOCIATION ENDORSES JOHN GARD FOR CONGRESS

GREEN BAY, WI –The Wisconsin Troopers' Association (WSTA) has announced its sole endorsement of John Gard for Congress in the 8th Congressional District. The WTA supports Gard for his leadership abilities and commitment to keeping Northeastern Wisconsin highways safe for motorists.

Here is what WSTA had to say about John:

“We feel **John Gard** has assembled an impressive record of support for the Wisconsin State Patrol and the citizens of Wisconsin. As a member of the Assembly, John was the lead author of collective bargaining legislation that established a new bargaining unit for state law enforcement officers more than a decade ago. He has been a strong proponent of highway safety initiatives, and perhaps his best quality has been his willingness to listen and seek advice from the Wisconsin Troopers' Association when he is preparing to cast a vote on highway safety issues.”

According to John, the endorsement is a testament to his dedication to making sure that the transportation needs of Northeastern Wisconsin are met so that our roads are safe for families.

“I am honored to receive the support of the **Wisconsin Troopers' Association** in my campaign to represent the people of the 8th Congressional District,” said Gard. “The men and women who work hard to enforce our laws and protect people on the highways are often the first to respond in times of crisis. I am happy to have the vote of confidence of this courageous group of individuals. As a state legislator, I have been a strong supporter of measures to keep Northeastern Wisconsin roads safe for motorists. As Congressman, I will continue to fight for initiatives that keep our families safe on the highway.”

###

John Gard, candidate for the Eighth Congressional District, believes in affordable healthcare, lower taxes and helping businesses create high-paying jobs. He has a proven track record of working hard for constituents. As a State Representative, John spearheaded some of the state's most successful programs, such as SeniorCare and W-2. John grew up on a dairy farm in Lena, Wisconsin and is a long-time resident of Northeastern Wisconsin.
