## RPW Statement on Troha Indictment

**MADISON** – The Republican Party of Wisconsin Executive Director Mark Jefferson released the following statement regarding today’s indictment of Dennis Troha, whose family contributed over a quarter million dollars to Governor Doyle’s campaign and inaugural events:

*“It’s become very clear that Jim Doyle got re-elected by using dirty tricks and dirty money. Doyle should return every dime of casino cash he has ever taken – or recuse himself from any gambling decisions.*

*Jim Doyle is the most ethically challenged governor in Wisconsin history. Nothing short of returning his dirty casino money can restore even the slightest degree of confidence in Doyle’s administration. He should start by immediately returning the staggering campaign donations from Dennis Troha and his family.”*
