**WALKER RELEASES LIST OF PROJECTS**

MILWAUKEE – County Executive Scott Walker released the attached list of approximately \$130 million in funding applied for or received by his department heads for Milwaukee County. The initiatives were begun prior to the county board’s resolution on stimulus funds and reflect those that meet the criteria the county executive determined to protect the county taxpayers.

The criteria outlined by Walker include:

- No matching funds required by Milwaukee County
- No long-term federally mandated financial commitments required
- Expenditure of requested funds will not obligate Milwaukee County to new operating or maintenance expenses.
