Dear Mr. Priebus,

I have just received your letter in my capitol office. I respectfully request that all future political correspondence be directed to

Lawton for Governor
P.O. Box 1270
Madison, WI 53701

I have traveled every corner of this state; I agree that we are a deeply patriotic people. And in the past few months, I have seen a variety of expressions of people's concerns for their jobs and security. My focus now is ensuring that we stabilize families and businesses in Wisconsin and put ourselves on the shortest path to economic recovery and new job creation.

Truly yours,

Barbara Lawton
