and

MARK GREEN,

Petitioners,

vs.

Original Action

Case No. 2006AP002452-OA

STATE OF WISCONSIN ELECTIONS BOARD,

and

KEVIN J. KENNEDY,

Respondents.

STIPULATION

The parties make this stipulation to settle this case:

1. The Parties agree that when Green for Wisconsin ("the Committee") converted the disputed funds from Petitioner Mark Green's federal campaign committee to his state campaign committee on January 25, 2005, it complied with: (1) previous Board determinations with respect to similar matters; (2) ElBd 1.39, as written and interpreted at the time; and (3) instructions provided by the Board's staff.

The parties further agree as follows:

2. The parties acknowledge that the Board's position in this litigation was based on the Board's current interpretation of the relevant statutes. This stipulation is not to be construed as an admission by any party as to any legal interpretation of any relevant statutory provision.

3. The Committee may use the disputed funds for any purpose permitted by Chapter 11, Stats., including without limitation, paying the Committee's campaign expenses and legal fees, making contributions to organizations described in sections 501(c)3 or 501(c)(4) of the Internal Revenue Code, and making contributions to registrants as permitted by Chapter 11, Stats.; provided, however, the Committee agrees not to use the disputed funds to purchase any tangible asset for use after December 31, 2009, or prepay for any service to be provided after December 31, 2009, for the purpose of advocating the candidacy of Mark Green in any future election, nor will the Committee use the disputed funds for the purpose of advocating the candidacy of Mark Green in any election held between the date of this stipulation and December 31, 2009.

4. Any disputed funds not spent by December 31, 2009 will be disposed of in any of the following ways: (1) paid to the Common School Fund, (2) paid to the Wisconsin Election Campaign Fund, or (3) contributed to one or more organizations described in sections 501(c)3 or 501(c)(4) of the Internal Revenue Code

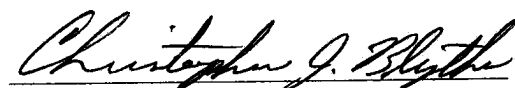

5. This Stipulation resolves all claims either party has or may have with respect to the Board's September 6, 2006 Order and with respect to any other claims raised, or which could have been raised, by any party prior to the date of this stipulation with respect to any matters that were the subject of this litigation. The Board and its

successor may not take or recommend any further action against Green or the Committee with respect to any matters that were the subject of this litigation, except to enforce this stipulation.

6. This case may be dismissed, with prejudice, without costs and without further notice to any party.

Respectfully submitted this 16th day of March 2007.
