MILWAUKEE POLICE OFFICERS ENDORSE WALKER FOR COUNTY EXECUTIVE
Walker’s leadership called a “breath of fresh air”

Milwaukee County. Calling him a strong leader in the fight for government reform and an advocate for law enforcement families throughout Milwaukee, the Milwaukee Police Association announced their endorsement of Scott Walker for Milwaukee County Executive.

“When it comes to looking out for the needs of Milwaukee families, particularly law enforcement families, we could find no better advocate in the County Executive’s Office than Scott Walker,” said Brad Debraska, President of the 1700 member Milwaukee Police Association. “Scott understands and appreciates the difficult job that our members and all law enforcement face and has been a tireless supporter. His work to reform government, reduce waste and cut taxes is a real breath of fresh air for our members.”

Walker, elected County Executive in a special election in April 2002, is running for re-election to a full 4-year term.

“I am extremely grateful for, and humbled by the endorsement of the men and women of the Milwaukee Police Association,” said Walker. “The support of these outstanding public servants means a great deal to our campaign and to me personally.”
