Statement from Friends of Scott Walker Treasurer John Hiller Regarding Frivolous Complaint before the State Elections Board

[Wauwatosa, Wisc...] “This trivial complaint is part of an ongoing pattern to try to derail our campaign against Governor Doyle and distract voters from Jim Doyle's failure on providing tax relief and preventing vote fraud. Supervisor Weishan, the little brother of the ousted County Board chair, has had an axe to grind with Scott Walker since the reform movement removed his sister from office. We readily admitted our error regarding the two second disclaimer and we were the ones who brought the issue to the attention of the County Election commission, which has since disposed of the matter.”
