Scott Walker Says Burlington Liars' Club Should Cancel This Years World Championship Liars' Competition *"No One Can Beat the World Champion Lies Jim Doyle Told Tuesday Night"*

(Wauwatosa,) Scott Walker, Republican candidate for Governor and Milwaukee County Executive, said he would submit Governor Jim Doyle's State of the State speech to the Burlington Liars' Club of Burlington, Wisconsin, for its annual World Championship Liars' Competition.

"That was the biggest whopper I have ever heard," said Walker. "The unfortunate part of Jim Doyle's lie is that it will hurt Wisconsin's working families the most," he added.

Walker said that given the magnitude of Doyle's canard he doesn't know how anyone else would be able to compete in the annual competition. Walker cited at least eight (8) different fabrications in Doyle's speech:
