Note: The economic stimulus bill supports a \$500 increase in the maximum Pell Grant (compared with the level in the FY09 omnibus appropriations Act). Together with discretionary base funding and mandatory funds, the maximum Pell Grant will be \$5,350 in FY 2009. The economic recovery bill also pays off the cumulative Pell Grant shortfall. Amounts in the economic recovery bill also differ from these estimates due to differences between CBO and Department of Education scoring.
