Ripon Knights of Columbus Back Darrow for Senate

Leading Catholic Organization Breaks Tradition to Endorse Senate Candidate

(Waukesha, WI) – Republican U.S. Senate candidate Russ Darrow has received the exclusive endorsement of the Knights of Columbus of Ripon, Wisconsin. The Knights of Columbus of Ripon have never before backed a political candidate, breaking with years of tradition.

“This is the first time the Knights of Columbus of Ripon have even endorsed a candidate,” the statement read. “We believe this election year is especially important and after reviewing (Darrow’s) platform and position on the important campaign issues, especially the Right to Life, (Darrow) stand(s) out as an individual that best reflects the values of the Knights of Columbus.”

“I am honored and humbled by the Ripon Knights of Columbus decision to break with tradition and endorse my candidacy,” said Darrow. “The people of Wisconsin deserve to have their voice heard in Washington and the Knights of Columbus understand this. I’m honored that they’ve chosen me to be that voice. I will not let them down.”
