TEAR OFF AND SEND TO REP. AMY LOUDENBECK!

Dear Rep. Amy Loudeneck,

I am asking you to **support the proposal in the 2017-19 Wisconsin state budget to eliminate the state property tax** and provide property tax relief to Wisconsin homeowners.

Prior to 2011, **property taxes increased by more than 20%** over the past decade.

Now is the time to act. With the state's growing economy, **we're able to invest in our schools and reduce property taxes at the same time.**

Please **support eliminating the state property tax** and help ease the tax burden on Wisconsin homeowners.

Sincerely,

# Lower Property Taxes IN WISCONSIN?

Yes. It's possible. But only if you call your legislators and ask them to support the state budget proposal to lower your property taxes.

# Wisconsin Homeowners Deserve Property Tax Relief

Property taxes in Wisconsin are a significant burden on homeowners. **Now is the time for property tax relief.** Ask Amy Loudenbeck to support the state budget proposal to eliminate the state property tax and reduce the tax burden on homeowners.

- Prior to 2011, property taxes increased by **more than 20% over the past decade.**
- Wisconsin ranks among the top five states in the country based on **highest property tax rate.**
- Taking steps to reduce this tax burden will especially **benefit first-time homeowners and seniors on a fixed income.**
- Lower property taxes will make housing more affordable and make it easier for Wisconsin families to buy a home or stay in their current home.

**Ask Amy Loudenbeck to eliminate the state property tax. Return your post card today plus email and call them at:**
