ATLANTA – The U.S. Small Business Administration has added Marquette County to the disaster declaration in **Wisconsin** for businesses and residents affected by severe storms, tornadoes, straight-line winds, flooding and land landslides from Aug. 17, through Sept. 14, 2018.

The disaster declaration covers the counties of Crawford, Dane, Juneau, La Crosse, **Marquette**, Monroe, Richland, Sauk and Vernon in **Wisconsin** which are eligible for both Physical and Economic Injury Disaster Loans from the SBA. Small businesses and most private nonprofit organizations in the following adjacent counties are eligible to apply only for SBA Economic Injury Disaster Loans: Adams, Columbia, Dodge, Grant, Green, **Green Lake**, Iowa, Jackson, Jefferson, Rock, Trempealeau, **Waushara** and Wood in **Wisconsin**; Allamakee and Clayton in **Iowa**; Houston and Winona in **Minnesota**.

Businesses and private nonprofit organizations of any size may borrow up to \$2 million to repair or replace disaster damaged or destroyed real estate, machinery and equipment, inventory, and other business assets. Applicants may be eligible for a loan increase up to 20 percent of their physical damages, as verified by the SBA for mitigation purposes. Eligible mitigation improvements may include a safe room or storm shelter, sump pump, French drain or retaining wall to help protect property and occupants from future damage caused by a similar disaster.

For small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations, the SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical property damage.

Interest rates are as low as 3.675 percent for businesses, 2.5 percent for nonprofit organizations and 2 percent for homeowners and renters with terms up to 30 years. Loan amounts and terms are set by the SBA and are based on each applicant's financial condition.

Applicants may apply online using the Electronic Loan Application (ELA) via the SBA's secure website at DisasterLoan.sba.gov.
