The American Dairy Coalition (ADC) will host a presentation at World Dairy Expo 2017 to discuss how a new guestworker visa program may provide a viable solution for dairy producers who desperately need secure and reliable labor.

Join Us:

Thursday, October 5th
11:30AM-1:00PM CST

Monona Room, World Dairy Expo 2017

Attendees will learn details on how the Agricultural Guestworker Act (AG Act) may help the dairy industry find reliable, year-round labor from ADC Founder and CEO Laurie Fischer. Fischer has worked extensively with the Chairman of the House Judiciary Committee, Rep. Bob Goodlatte (R-VA), on the creation and preparation of this bill. She has provided the Chairman with critical knowledge of the struggles our industry faces in finding workers. Fischer will give attendees insider details on the AG Act, answer audience questions, collect feedback to provide back to the Chairman, and lay out the next steps the bill must take. Do not miss your chance to become part of the solution! Our industry has waited 20 years for meaningful immigration reform. Your valuable voice is necessary to ensure this bill can provide relief to producers across the nation who do not know who will milk their cows.

Additional presentation details to follow.

About the American Dairy Coalition:

The American Dairy Coalition is the united voice of the dairy, agriculture and livestock industry. Successful policy making, in order to best serve this industry, starts in Washington DC. We focus only on top priority issues in order to remain nimble and quickly adapt to the ever changing federal policy making environment. ADC is the only national organization solely focused on advocating to advance the growth and success of progressive producers and agriculture companies. ADC has collaborated with many groups and individuals to make a significant impact on the agriculture industry.
