

Assembly looking at Tuesday committee exec on Foxconn, Aug. 17 floor vote

Posted on Wednesday, Aug 9, 2017

The Assembly is now looking at Tuesday for a committee exec on the Foxconn bill with a floor vote to follow Aug. 17, Majority Leader Jim Steineke says.

Jobs and the Economy Chair Adam Neylon, R-Pewaukee, had been looking at an exec on the bill tomorrow, though he said earlier this week that wasn't set in stone.

Steineke, R-Kaukauna, said the Assembly decided on the Tuesday exec and Aug. 17 floor vote after looking at the number of amendments that came in.

"We want to get it right, not necessarily get it done fast," Steineke said.
