Posted on Tuesday, Sep 12, 2017

The Citizens for a Scenic Wisconsin will be holding a Board and Membership meeting in Green Bay, Wisconsin on Saturday, September 16, 2017. The meetings and award presentation will take place over the noon hour at St. Brendan's Inn, 234 South Washington Street in downtown Green Bay.

"CSW is very happy to announce that CityDeck will receive the 2017 'Outstanding Public Scenic Space Award,'" stated the founder of CSW, Mr. Chuck Mitchell of Wauwatosa. The award will be presented to the Mayor of the City of Green Bay and to the Parks, Recreation and Forestry Department.

The CityDeck is at the very heart of Green Bay's Fox River waterfront. The boardwalk activates the riverfront and provides spaces for gatherings, docking, watching and playing. The sectional diversity creates a wide range of seating configurations and scenic river overlooks. Green Bay's CityDeck is a public park and thus ensures public access at all times.

"Our Board of Directors and Membership are very impressed with this particular kind of creative and beautifully designed public space. Congratulations to the great City of Green Bay and to the Parks Department for a job well done...and we know that no marine mishap will keep it from coming back even better to serve the public," stated Gary Goyke, President of the organization.
