WHAT: Milwaukee Firefighters will go door to door checking smoke alarms and installing new ones if necessary.

WHO: Senior Staff Chief of the Milwaukee Fire Department

WHEN: Friday, October 20, 2017 at 2:00 p.m.

WHERE: 8428 West Lisbon Avenue

DETAILS: Milwaukee Firefighters will go door to door in the neighborhood checking for working smoke alarms and offering safety education to residents. This is part of Project FOCUS (Firefighters Out Creating Urban Safety) where the Milwaukee Fire Department installs free smoke alarms for those in need.

A Milwaukee Fire Chief will address the media regarding the importance of working smoke alarms in every citizen's home. If in need of a smoke alarm, please call the Smoke Alarm Hotline to have one installed for free by the Milwaukee Fire Department.
