Osseo, Wisconsin – Following passage of Tax Reform in the U.S. House of Representatives, Congressional Candidate Steve Toft released the following statement:

“Today’s historic vote is a major step forward to reforming our broken tax code,” said Toft. “Our country needs a simpler, fairer tax code that unshackles our economy and provides relief to the middle class. While no bill is perfect, I hope the Senate finalizes their plan and moves forward quickly to pass this important legislation.”

“Ron Kind once again proved that he is more interested in protecting Washington special interests rather than the people of the 3rd Congressional District. Wisconsin needs more leaders that will represent the people, not Washington.”
