The UWM Alumni Association and the Institute of World Affairs invite you to join us for a special presentation on press freedom and democracy with Abdulhamit Bilici, former editor-in-chief of Zaman, Turkey's largest daily newspaper. Mr. Bilici was forced to flee his country in the face of threats and a government crackdown on the media.

Don't miss this timely discussion of the critical role a free press plays in a democracy, and our responsibility as citizens to protect it.

The event is free and open to the public; due to limited seating, pre-registration is required.
