MADISON — With [Kevin Nicholson's deer-in-headlights expression](#) when confronted with one of his lies at the Wisconsin Republican Party's convention this weekend, Kevin needs to come out from hiding and answer more questions. Did Kevin Nicholson lie? Did Dick Uihlein know about Nicholson's 2008 vote? If not, is he still planning to spend millions in support of Nicholson's run or will he just keep running false ads attacking Tammy Baldwin 18 months before the election? So where is Kevin?

Kevin Nicholson has a [history of lying](#) to prove his political allegiances, but after the Republican Party of Wisconsin convention last weekend, Kevin has disappeared.

"Kevin wasn't ready to address his lies last weekend, but he better figure out his line soon because out-of-state millionaires backing his run must be questioning his Republican credentials," said Democratic Party of Wisconsin Communications Director Brandon Weathersby. "Did Illinois millionaire and super PAC funder Dick Uihlein know that Kevin Nicholson voted for Hillary Clinton or Barack Obama in 2008? What does Dick believe: that the record was wrong or that Kevin has changed?"

Maybe Kevin will reemerge with another smooth answer after pleading with Dick. Maybe not.
