Menasha, Wisconsin – [Faith Technologies](#), a national leader in electrical planning, engineering, design and installation, *is looking to fill positions in northeastern Wisconsin and will host a hiring event on Thursday, June 15, from 10 a.m. to 7 p.m. The event will take place at Faith's new [Innovation Center](#), located at 201 Main St., Menasha, Wisconsin, 54952 ([map](#)).*

Faith Technologies is hiring for a variety of entry-level to experienced positions including apprentices, electrical helpers, and journeyman electricians.

Top pay, excellent benefits, a robust training program and a strong culture of safety are just a few of the attributes that make Faith Technologies an employer of choice. The company offers a number of advancement opportunities within the company, and has an established and flourishing mentoring program with paid training programs that results in more than 30 percent of associates moving up each year.

At the event, job seekers can meet with members of Faith Technologies' human resources team to learn more about open positions and career opportunities through their [Apprenticeship Institute](#), as well as participate in on-site interviews. Attendees are encouraged (but not required) to contact Faith Technologies prior to the event to schedule an on-site interview at careers@faithtechnologies.com.

For career fair information, a full list of available positions or to apply online, please visit www.faithttechnologies.com/careers. If you have specific questions, please email careers@faithttechnologies.com.
