

# Feeling the Squeeze: Prescription Drug Pricing Trends and State Policy Options

Posted on Wednesday, Apr 19, 2017

*An EBHPP Breakfast Briefing*

**Thursday, April 27th, 2017**

**9:00 am - 11:30 am**

**Wisconsin State Capitol, Room 411-South**

***Moderated by Rep. Debra Kolste***

Rising prescription drug costs affect state budgets and family finances, here in Wisconsin and nationwide. The Evidence-Based Health Policy Project presents a briefing on prescription drug pricing, with presentations on trends, current efforts to contain costs, and options for state policymakers.

Coffee and light breakfast will be provided.
