MADISON, May 23, 2017 - Local activists are preparing for the Rally for Truth, which will be held at the State Capitol in Madison on June 3, 2017 from 5:00 p.m. until 8:00 p.m. Rally organizers, which include the Wisconsin Progressive Alliance (<http://www.wiproalliance.com>), Indivisible Madison (<https://www.facebook.com/WeAreIndivisibleMadison>), and Rock County Progressives (<http://rockcountypgressives.org>), seek to address issues related to President Trump's campaign and restore faith in the U.S. government.

Rally organizers have launched a crowdfunding project to help defray the costs of the Rally.

Their project is available on Grassrooter (<http://grassrooter.co>), an early-stage crowdfunding platform. Grassrooter's Founder and CEO Stephen Fraser noted, "The Wisconsin Progressive Alliance's project shows how all citizens can improve their communities. Things as simple as gathering neighbors for a rally or creating a community garden can be powerful. We hope Grassrooter will continue to be a resource for people who want to make an impact."

The Wisconsin Progressive Alliance focuses on organizing the grassroots community and

seeks to enhance coordination, education, and execution among activist groups. “We’re excited to be working with Grassrooter and to reach new audiences for the upcoming Rally,” the Alliance’s President, Derek Barsaleau, stated. “By bringing together our network and Grassrooter, we think we will have the crowd and resources to make a powerful statement at the Rally on June 3.”
