Cook Political Report Upgrades WI-06

First rating upgrade validates Dan Kohl's battleground status

November 17, 2017

Grafton - Reflecting the growing recognition that a competitive race is brewing in Wisconsin's 6th Congressional district, the Cook Political Report upgraded its rating of WI-06 from "Solid Republican" to "Likely Republican." Highlighting Glenn Grothman's history of extremism and the strength of the campaign built by Dan Kohl, this rating change acknowledges that there is likely to be a highly competitive Congressional race in WI-06.

"There is a growing desire for a different approach in Washington and Dan Kohl will help make it happen. The Cook Political Report rating upgrade recognizes that 6th District voters are ready for change. Dan has been building a campaign focused on bringing folks together to solve problems and people are responding." said Campaign Manager Rick Coelho. "The Kohl campaign will continue to focus on building the relationships, networks, and resources necessary to win next November. "
