*Kohl for Congress Announces 18-stop tour will seek input from residents across the 6th District*

Today Kohl for Congress announced the launch of a Community Conversation Tour that will take business executive and non-profit leader Dan Kohl to communities throughout Wisconsin's 6th District. At each stop, Dan will meet with community members to engage in conversations on the issues that matter most to residents. Beginning on August 14th in Ripon, the tour will take Dan to a diverse set of communities representing the breadth of the 6th district.

"Not enough of our elected leaders are listening. Dan is committed to bringing people together to work on common sense solutions to the challenges we all face. The first step in finding common ground is listening." said Campaign Manager Rick Coelho. "Dan is incredibly excited to launch the Community Conversation Tour so he can hear people's stories, concerns, and hopes for the future."

Over the two months of the tour, Dan will visit counties and communities across the 6th district. More information is available at <http://www.kohlforcongress.-com/conversations/>. Currently planned stops include:
