MILWAUKEE - Given the conditions created by the snow storm and a forecast that may include significant lake effect snow through the end of today, all City of Milwaukee Departments will allow for a 3:30 p.m. early dismissal on Monday, March 13, 2017.

The City of Milwaukee Department of Public Works (DPW) will continue its plowing operation for 48-Hour Parking Exception streets that will last for two nights - Monday, March 13, and Tuesday, March 14, 2017. This means that all residents who park on a 48-hour exception street must move their vehicles to the odd numbered side of the street by 11:00 p.m. on Monday, March 13, 2017.

Residents must then move their vehicles again on Tuesday, March 14, by 11:00 p.m. to the even numbered side of the street. This will help ensure that DPW crews can access as much of the street pavement as possible to remove ice and snow effectively, efficiently, and most importantly, safely.

In addition, DPW has declared that the 4-inch Rule will be in effect as of 7:00 p.m. on Monday, March 13, until further notice. City residents are reminded that the posted street sign takes precedence in all areas of the city. Visit mpw.milwaukee.gov/services/winterregs for more information on winter parking regulations for specific City of Milwaukee addresses.
