[Madison, Wis.] – Today, Natural Resource Development Association Executive Director Nathan Conrad released the following statement regarding the Senate Committee on Sporting Heritage, Mining, and Forestry’s passage of SB 395.

“The Natural Resource Development Association applauds the Senate Committee on Sporting Heritage, Mining, and Forestry members Senator Tom Tiffany, Senator Pat Testin, and Senator Terry Moulton for voting in favor of SB 395, the Mining for America Act. This landmark legislation will help build a generation of good-paying, family-supporting jobs, while maintaining our pristine landscape with stringent environmental standards. We look forward to the full senate’s discussion and eventual passage of this great piece of legislation.”
