Statement on Public Hearing for Mining for America Act

[Madison, Wis.] – Natural Resource Development Association Executive Director Nathan Conrad released the following statement in response to the announcement of a public hearing on SB 395 on September 7, 2017.

“We applaud Senator Tiffany for bringing the discussion of responsible resource development out of Madison and to the people of the Badger state. We look forward to a robust discussion on the positive benefits of SB 395 in Ladysmith, and how the passage of this vital piece of legislation will bring about a economic revolution in Northern Wisconsin while keeping our beautiful landscapes pristine.”

About Natural Resource Development Association

The Natural Resource Development Association supports policies that lead to proper, necessary, and conscientious resource development and conservation. By

engaging community leaders, laborers, manufacturers, and job creators in the legislative and decision-making process, the association will help create open atmosphere for resources development that is both environmentally sound and economically beneficial for Wisconsin.
