MADISON, Wis. — One Wisconsin Now Executive Director Scot Ross released the following statements over the Congressional Budget Office report indicating Speaker Paul Ryan (R-Janesville) will cut 24 million people from their health care.

“Twenty-four million Americans will lose their health care under Paul Ryan’s plan. That’s more than one million people for every year he and his family have enjoyed taxpayer-funded health care.

“Paul Ryan promised a plan to ‘provide all Americans with health care that is accessible, affordable and sustainable.’ Instead millions will lose their care and millionaires will get massive tax breaks. Paul Ryan is a liar.”
