Madison, Wisconsin — One Wisconsin Now Executive Director Scot Ross released the following statements regarding outrageous comments by Republican State Rep. Jesse Kremer. Reacting to the latest episode of gun violence, Kremer took to Facebook to blame the media and Hollywood for the shooting. As a state representative, Kremer supports law changes to allow guns on K-12 public and private school grounds, as well as concealed weapons on Wisconsin college campuses.

“If Jesse Kremer had his way, our public school and university grounds would be flooded with guns. Blaming media and Hollywood won’t solve the crisis of gun violence, common sense gun reforms Jesse Kremer opposes will.”
