'Can We Finally Mothball the Talking Point That Paul Ryan Will Be Check on Trump?'
— *One WI Now*

MADISON, Wis. — One Wisconsin Now Executive Director Scot Ross released the following statements regarding U.S. House of Representatives Speaker Paul Ryan's (R-Janesville) continuing support for Donald Trump's racist and ineffective Muslim Ban.

"Can we finally mothball the cocktail party talking point that Paul Ryan will be a check on Donald Trump? Military leaders from across the spectrum have agreed Trump's Muslim Ban will make the United States more unsafe, and yet Trump gets consistent and cowardly support from Paul Ryan. Whoever said Trump will be the first occupant of the White House without a pet is ignoring Trump's lap dog, Paul Ryan."
