MADISON, Wis. — One Wisconsin Now Executive Director Scot Ross released the following statement on a news report Republican Supreme Court Justice Michael Gableman may be in line for a job in the Donald Trump administration.

“Michael Gableman ran the most racist ad in the history of Wisconsin politics, so it’s not surprising he caught the attention of the biggest racist to ever reside in the White House. The only thing sleazier than Michael Gableman going to work for Donald Trump would be if Scott Walker appoints Republican Supreme Court candidate Michael Screnock to fill the rest of Gableman’s term.”
