MADISON, Wis. — One Wisconsin Now Executive Director Scot Ross is demanding the 64 members of the Wisconsin Republican Assembly Caucus meeting at the State Capitol today condemn by name their party's leader: Donald Trump.

"Politician Robin Vos wants his members to have cover from having to answer the simple question: 'Do you still support Trump?'"

"Trump made the most disgusting comments coddling racism and racists made by an occupant of the White House in the lifetime of any current living American. If Scott Walker and the Wisconsin Republicans are unwilling to condemn Trump by name, they don't get to say they stood up against white supremacy, Nazis and racism."
