

Peace for Change Alliance Inc. and Voices Against Violence Coalition: Sexual Assault Awareness Walk

Posted on Friday, Mar 31, 2017

April 1st is Sexual Assault Awareness Month in Milwaukee County. I have written a resolution that was passed by the County Board of Supervisors.

Tomorrow (April 1st), will be a healing walk going around the block of the Sojourner Truth House on 6th and Walnut at 2:30pm to honor the women who has been affected by Sexual Assault. The men will lead, the women will be in the middle and the men in the back. Men will be a symbol of protection.

This is open to everyone....
