Bryce Campaign Releases Pair of Ads to Greet Speaker Ryan's Return to Wisconsin Bryce to Also Stand with Wisconsinites at Rally Demanding Real Answers from Ryan

Caledonia, WI - The Randy Bryce for Congress campaign today unveiled two ads it will run on CNN during the cable network's media event with Speaker Paul Ryan. Since Randy did not receive a ticket to attend the event tonight, the first ad "FaceTime" features the 20-year ironworker, veteran, cancer survivor, and insurgent Democratic challenger posing three critical questions Paul Ryan must answer at tonight's media event.

- How does Speaker Ryan justify passing legislation that will take away health care from 23 million Americans?
- When will Speaker Ryan initiate censure proceedings in the US House of Representatives against Donald Trump for the president's comments emboldening white supremacists and new-Nazis?
- When will Congress under his leadership finally pass Equal Pay legislation?

A second ad explains why Randy Bryce is running for Congress, summarizing Randy's launch video that galvanized his campaign and inspired hundreds of thousands. Links to the ads can be accessed below.
