Washington, D.C – Rep. Mike Gallagher released the following statement after the House passed the FY2018 budget resolution:

“Today’s passage of the budget resolution is an important step toward reforming our nation’s outdated, unfair and overly complicated tax code that has stifled growth for manufacturers and working families in Northeast Wisconsin. As details of tax reform emerge over the coming weeks, I will continue to fight for policies that empower individuals and families in Northeast Wisconsin, help our manufacturers compete globally, and help our economy grow.”
