Madison... On Friday, the Wisconsin Property Taxpayers Inc. awarded Rep. Adam Jarchow (R-Balsam Lake) with a 2017 Property Taxpayer Champion Award. This award was given for Jarchow's work on the Homeowners' Bill of Rights. The Homeowners' Bill of Rights is a series of bills that aim to make homeownership more affordable and to protect private property rights. Two bills have already been introduced and more will be forthcoming.

Jarchow commented, "It is such an honor to receive this award and be considered a property taxpayer champion. I could not think of better things to stand up and fight for than property rights and lower taxes. Those have been the focus of my first term in the Legislature and will continue to be my focus as long as I am in office. Thank you so much to Wisconsin Property Taxpayers Inc. for acknowledging my work and for their constant fight for property taxpayers in Wisconsin."
