Madison – Today, Representative Kleefisch released the following statement on the appointment of former State Representative Dan Meyer as Secretary of the Wisconsin Department of Natural Resources:

“Congratulations to Dan Meyer on his appointment as the next Secretary of the Department of Natural Resources,” said Representative Joel Kleefisch. “Governor Walker hit a home run by appointing Dan to this post. Dan Meyer has an extensive history and breadth of knowledge of Wisconsin’s amazing outdoor heritage.”

“His lifelong experience as an avid outdoorsman, coupled with the years he spent as Vice-Chair of the Joint Finance Committee, give Dan the perfect balance of fiscal understanding and real-world resource preservation. As Chairman of the Natural Resources Committee, I am thrilled by the pick and know this will mean great things for the natural resources of our state,” said Representative Kleefisch.
