Madison – State Representative Dan Knodl (R-Germantown) issued the following statement on the passing of Representative Bob Gannon:

“I am shocked and saddened by the unexpected passing of my neighboring Assembly district colleague, Bob Gannon. Bob was “all in” on his support – or resistance – to the issues affecting fellow Wisconsinites.

“As his freshman term mentor and as Caucus Chair, Bob consistently challenged me with his thunderous passion and strong beliefs. He represented his district well.

“His true concern and compassion for his fellow man shows through his contribution of time and treasure to causes that helped steer the less fortunate onto the road of self-reliance. My condolences to his family.”
