Contact: Senator Mark Miller, [608-266-9170](tel:608-266-9170)

Madison - "By taking up Wisconsin's redistricting case, the US Supreme Court can restore the ability of voters to elect their representatives rather than representatives selecting their voters, as happened so egregiously in Wisconsin in 2011. Hopefully the court will uphold the fundamental democratic principle that American voters deserve representation that is representative."
