Madison - On Friday, State Representative John Nygren (R-Marinette) released the following statement in support of the newly appointed Marinette County District Attorney, DeShea Morrow:

“DeShea Morrow’s years of experience working in the Marinette County DA office will be an invaluable asset to the county. She has been on the front lines keeping our families and communities safe from crime and will now continue those efforts as District Attorney.

“I also trust she is an effective manager. DeShea’s first-hand knowledge of the root causes of the backlog issues in the district attorney’s office make her well equipped to solve the problem. I’m committed to working with DeShea to ensure she has the support of the state as she begins her job representing the people of Marinette County.”
