*University to Renovate Bowman Hall, North Hall, and Merle M. Price Commons*

Madison... Rep. Rob Summerfield (R-Bloomer) issued the following statement after the State Building Commission approved three building requests submitted by the University of Wisconsin-Stout for Bowman Hall, North Hall, and Merle M. Price Commons:

“I’m extremely pleased with the Building Commission’s decision today. All of these projects make very commonsense, modern updates to three key buildings on UW-Stout’s campus. As an alumnus of the university, I know firsthand how important these buildings are to students. I want to thank the Commission’s members for recognizing this importance too, as well as the faculty at UW-Stout for their dedication to these projects. I look forward to seeing them completed in the coming years.”
