MADISON – State Representative Rob Summerfield (R-Bloomer) released the following statement on Governor Walker's visit to Chippewa Falls Middle School today after signing the state's 2017-19 biennial budget into law yesterday afternoon:

"I'd like to thank Governor Walker for taking the time to come to Chippewa Falls today to discuss the budget directly with the Chippewa Valley community. With significant investments in rural schools, hospitals, and local infrastructure, this budget prioritizes hard-working families and serves to benefit the 67th District and all of western Wisconsin."
