MADISON – Rep. Chris Taylor (D-Madison) will kick off her spring office hours this month on Friday, April 14th and Friday, April 28th. Open to the public, Rep. Taylor’s Office Hours provide community members the opportunity to visit their State Representative while also enjoying some of the great small businesses that serve our community. There is no specific topic that will be discussed, but participants are encouraged to keep their comments focused on state legislative issues.

“Office Hours are a great way for me to get out in my community and hear from the most important advocates – my constituents! Stop by and say hello – even if it’s only for a couple minutes. I want to hear your questions, comments and concerns about the direction Wisconsin is headed,” Taylor said.
