Madison, Wisconsin — On Tuesday, October 31st, Assembly Democratic Leader Rep. Gordon Hintz (D-Oshkosh) appointed Rep. Dana Wachs (D-Eau Claire) to the Wisconsin Economic Development Corporation (WEDC) Board of Directors. Upon receiving this appointment, Rep. Wachs issued the following statement:

“I look forward to serving on the WEDC Board. Wisconsin has the talent and work ethic needed to succeed in a global economy, but we must learn from past mistakes and ensure that we are responsible stewards of taxpayer money. I welcome the opportunity to help WEDC reverse course and create long-term economic growth and good jobs that benefit all Wisconsinites, not just huge corporations.”
