MADISON - State Representative Leon Young (D-Milwaukee) I would like to take this time to extend sincere prayers and condolences to the family of Greg Zyszkewic, a city inspector for the Milwaukee Department of Neighborhood Services, who was recently found dead, from apparent gunshot wounds, while seated in his city vehicle.

“Most regrettably, the life of this individual was tragically cut short while simply doing his job. I find it appalling and tragic that a person cannot go to work as a public servant and be safe from a heinous attack such as this,” Young asserted.

As reported in the media, Mr. Zyszkewic was highly regarded by his co-workers and dearly beloved by his family as well. He will be truly missed.
