Waupun- Members of the Republican Party of Fond du Lac County are thrilled that Republicans and President Trump are delivering real tax reform; delivering on a promise made to the American people.

“ President Trump, Speaker Ryan, Senator Johnson, and Congressman Grothman are delivering real and meaningful tax reform for hard working families,” said Republican Party of Fond du Lac County Chairman Rohn Bishop,” that, along with the hard work that was done by Governor Walker, and our local elected officials like, Senators Feyen, Olson, and Stroebel, and Representatives Schraa, Kremer, Ripp, Ballweg and Thiesfeldt, to eliminate the state portion of our property tax, residents of Fond du Lac County are keeping more of their own money, that they can now spend on their families priorities, not governments!

The tax reform legislation was passed by Congress yesterday and is on its way to the White House for the President's signature. In Wisconsin, property tax bills have been arriving in people's mail boxes, and folks are seeing a 100% reduction in the state portion of the property tax.
