The RPMC is returning to Mexican Fiesta during the 2017 festival held at the Summerfest grounds, August 25-27. Our booth will feature bilingual information concerning the life changing message of lower taxes, less government, personal responsibility and the conviction that “we hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness”.

We encourage everyone attending Fiesta to come to our booth to meet our members and engage in positive conversation to move our city, state and country forward.

About the Republican Party of Milwaukee County: The RPMC consists of political conservatives and moderates residing in Wisconsin’s most populist county. Our diverse membership represents all 19 county municipalities.
