[Madison, WI]— As liberal trial attorney Dana Wachs starts his run for governor, the Republican Party of Wisconsin is announcing a digital ad campaign to inform voters of Wachs' record of exploiting the system and trying to pad his own pockets on the backs of Wisconsin taxpayers.

"While Governor Walker has been reforming the system for hard-working Wisconsin families, liberal trial attorney Dana Wachs has been exploiting the system," said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. "Wisconsinites can't afford to let Wachs take advantage of them like he does everything else."
