[Madison, WI]— Molina Healthcare announced that it was dropping out of Wisconsin's Obamacare marketplace, further limiting coverage options for Wisconsinites. While Obamacare continues to fall apart in Wisconsin, Senator Tammy Baldwin is embracing the Washington status quo and obstructing real health care reform.

“While hard-working Wisconsin families are struggling under Obamacare, Senator Tammy Baldwin is defending the liberal Washington status quo,” said Alec Zimmerman, spokesman for the Republican Party of Wisconsin. “As the Obamacare collapse leaves Wisconsinites with fewer choices and higher premiums, Senator Baldwin is standing by the mess she created and obstructing real reform at every turn.”
